

Saint George Parish Youth Program

February 2018

Dear Saint George Parish Youth,

Time is just moving by so quickly, here we are beginning another new month. The month of February symbolizes the season of love, whether this love is for someone who is special to you, your parents and family members, or just the love you share for one another. Love is caring, and what a more caring way to express your love for God, then by attending Mass and reaching out to others through service.

Our Family Bingo was a great success! Many thanks to our high school and college students who volunteered to run the evening's festivities and to the adults, who manned the door, sold chances, called numbers and worked the kitchen. Thank you very much; you are a prime example of stewardship.

Remember, service is a vital component in our Youth Program, whether it is serving those who are less fortunate than us or just being an active member in our parish family. I look forward to seeing you during the events of the month.

On **Wednesday 2/14/18** we will begin the Season of Lent. Take the time and reflect on what Lent means to you. Is there something special that you can offer as a Lenten Sacrifice? There will be many activities that will be taking place during the course of this time. Our Sandwich Outreach will be taking place **March 10, 2018**. Make the effort to attend these events. We encourage all of our Parish Families to participate. If you have any questions or concerns, please contact me at the Rectory, 610-237-1633. I look forward to your active participation.

God Bless You!
Mrs. Guidetti
